

PRO'S PICK®

Dura-Cube® Salt

Our Highest Purity Softener Salt

Pro's Pick® Dura-Cube®

Our premium-purity water softener salt contains up to 99.8% pure salt. Virtually 100% water soluble, it is uniquely compacted for hardness to prevent mushing and bridging in the brine tank. This helps to keep your softener clean and trouble-free. And now, our patented 2-handle, 40 lb. bag* makes lifting and carrying easier than ever. It's also made with 50% recycled material!

Offered exclusively to dealers, this product is NSF-certified to ensure premium quality. It is recommended for all types of softeners. Available in limited areas.
