

Diamond Crystal[®] Sun Gems[®] Salt Crystals

Naturally evaporated softener salt

Our high purity water softener salt contains up to 99.6% pure salt. Evaporated naturally by the sun and wind, these large solar crystals have a clear, clean appearance and a very low insoluble content. They are also formulated to resist mushing and bridging, minimizing the accumulation of brine tank residue.

- Poly bags made of 50% recycled material
- NSF certified, this salt is recommended for all types of softeners.
- Available in limited areas
