

Diamond Crystal® Supersoft® Water Softening Salt

Made with up to 99.7% pure salt, this premium-purity softener salt softens water simply and effectively. When used in your water softener, Diamond Crystal® Supersoft® removes several hard minerals from your water. After our water conditioning product removes hard minerals, you have soft, bright towels to wrap around your family, shiny dishes that can be used even with your most critical guests, and longer pipe and appliance life helping you save money to spend on something more fun.

Recommended for use in most water softeners. Available in limited areas.

- Helps extend the life of appliances and plumbing.
- Helps keep clothes brighter and whiter.
- Helps prevent hard water spots.
